

Dear Parent(s)/Guardian(s):

My name is Mrs. Diayle Davis, and I would like to introduce myself to you as the School Counselor at Monument Intermediate School. I am thrilled to be your school counselor! I look forward to working with you and your child this year, and I will make every effort to see that your child receives as much personal assistance as possible.

The School Counseling program at Monument Intermediate School is based on the American School Counseling Association Model and our district standards. It includes a variety of services for ALL students and is designed to assist with interests and issues related to the stages of student growth in the areas of academic, career, personal, emotional, and social development. The following services will be offered for the 2023-24 school year:

- Small group counseling sessions, with parent permission, for students focusing on: divorce, grief, study skills, friendship/social skills, and anger management. If you feel that your child needs assistance in any of these areas please let me know.
- Individual meetings to help students adjust to school or help with personal issues on an as needed basis.
- Classroom guidance lessons with emphasis on personal/social skills, bullying prevention, child protection, academic development (study skills), and career awareness. I see every class in the building at least once a month.
- Referral assistance to other programs and services in the community.

If you have any questions regarding the counseling program, please contact me directly at 609.503.9941 ext. 4830 or email me at djdavis@trenton.k12.nj.us. You can also access parent resources and make referrals at the [Counselor's Corner](#) section of the BMIS website. I look forward to working together with you this year to help ensure your child's success in school and life in general. We are going to have a great year!

Sincerely,

Mrs. Diayle Davis
